## Pool Closing Accessories Now on Sale!

### Skimmer Plug Winter Plate

- Available for Doughboy, Lomart, Hayward Standard & Wide Mouth Skimmers
- Preserves water level in pool
- No assembly needed

### Mouse Away

- All natural, herbal repellent
- Protects pool heater from rodent infestation

### Equipment Covers Available For:

- Heaters and heat pump – protect your investment

### Winter Cover Wrap

- Prolongs cover life
- Helps secure winter pool cover
- Eliminates need for water jugs and weights
- Seals pool, blocking wind and dirt

### Pool Pillows

- Reduces winter damage to pool by absorbing expanding ice and reducing ice sheet formation. Expect your pillow to pop when ice expands.
- Allow for about 10% surface area of pool.
  - Ex; 24 round = 754 sq ft. so roughly 75 sq ft of pillow needed. So an 8x15 OR two 8x4 would be good choices.
